# Plot

- ⌘ In the summer of 1958, local boy Danny Zuko and vacationing Sandy Olsson meet at the beach and fall in love. When summer comes to an end, Sandy—who is going back to Australia—frets that they may never meet again, but Danny tells her this is "only the beginning." Later on, at the start of Danny's senior year at Rydell High School, he resumes his role as the leader of the T-Birds greaser gang, consisting of his best friend Kenickie, plus Doody, Sonny, and Putzie. The Pink Ladies, a clique of greaser girls, also arrive, consisting of leader Rizzo, Frenchy, Marty, and Jan.
- ⌘ When Sandy finally mentions Danny's name, Rizzo arranges a surprise reunion for them, but Danny maintains his bad-boy attitude in front of his friends and Sandy storms off in tears. Frenchy invites the girls to a pajama party, but Sandy falls ill from the sight of blood after Frenchy pierces her ears. While Sandy is out of the room, Rizzo starts to make fun of her ("Look at Me, I'm Sandra Dee"). Sandy goes outside and starts to think of Danny, and how much she loves him even though he hurt her ("Hopelessly Devoted to You"). The T-Birds come to Frenchy's house so Danny can apologize to Sandy, but he leaves after they taunt him about her. Rizzo departs with Kenickie to have sex with him, during which his condom breaks. They are disturbed by Leo, leader of the T-Birds' rival gang, the Scorpions, and his girlfriend Cha-Cha.
- ⌘ Danny tries to make it up to Sandy by taking her to a drive-in theater and giving her his ring to wear ("Alone at the Drive-in Movies"), but Sandy leaves in anger after he forces himself on her ("Sandy"). Meanwhile, Rizzo fears she is pregnant after missing a period and confides in Marty, but Marty tells Sonny and he inadvertently spreads the rumor to Kenickie, the apparent father, though Rizzo denies this to him. Rizzo starts to be laughed at by other girls, and she realizes that she isn't as tough as she seems ("There Are Worse Things I Could Do").
