

Mamma Mia! The 2008 film!

Phyllida Lloyd and Catherine Johnson

MADE BY:

ANDREAS KOYKOYNARHS

The plot

On the fictional island of Greece called "Summer", the 20-year-old Sophie Sheridan, who will soon marry Sky, discovers her mother's old diary, which reveals that there are three men, only one of whom can be the real father. She reveals to her three bridesmaids, Ali and Lisa, the Irish-American architect Sam Carmichael, the British banker Harry Bright and the Swedish writer Bill Anderson. And as the big day approaches, she hopes to find her real father to give her to her beloved Sky.
