The musical is

- ★ **Musical theatre** is a form of theatrical performance that combines songs, spoken dialogue, acting and dance.
- ★ The story and emotional content of a musical – humor, pathos, love, anger – are communicated through words, music, movement and technical aspects of the entertainment as an integrated whole.
- ★ Although musical theatre overlaps with other theatrical forms like opera and dance, it may be distinguished by the equal importance given to the music as compared with the dialogue, movement and other elements.
